

**PUBLIC NOTICE
OF A PUBLIC HEARING AND A STATEMENT OF BASIS
ON A PROPOSED HAZARDOUS WASTE MANAGEMENT PERMIT MODIFICATION FOR
GENERAL SMELTING AND REFINING, INC.**

BY

**TENNESSEE DEPARTMENT OF ENVIRONMENT AND CONSERVATION
DIVISION OF SOLID WASTE MANAGEMENT
NASHVILLE, TENNESSEE**

The Tennessee Department of Environment and Conservation's (TDEC) Division of Solid Waste Management (DSWM) will conduct a public hearing at 6:30 p.m., Monday, August 27, 2007, at the College Grove Artsitorium, located at 8607 Horton Highway, College Grove, TN 37046, to receive comments on DSWM's proposed approval of a Class 3 Permit Modification submitted by General Smelting and Refining, Inc., a wholly-owned subsidiary of Metalico, Inc. A [Statement of Basis](#), which details the basis for the final remedies proposed in the modification, has also been issued. This action follows the public meeting conducted by the facility on September 6, 2006, as required by Tennessee Rule 1200-1-11-.07(9)(c)5(iii)(IV), and the 60-day (July 28, 2006 through September 26, 2006) comment period, as required by Tennessee Rule 1200-1-11-.07(9)(c)5(iii)(V). Several members of the community attended the public meeting, and comments were received at the public meeting. The comments were submitted for DSWM review.

From 6:30 p.m. to 7:00 p.m., citizens are invited to inspect and discuss the draft permit modification, fact sheet, [statement of basis](#), and other materials with representatives from DSWM and Metalico, Inc. The formal part of the hearing will begin at 7:00 p.m. DSWM will explain its tentative decision to issue the permit modification after which Metalico, Inc. will describe the proposed final remedies for Solid Waste Management Unit (SWMU) No. 1 - Operators Area, SWMU No. 8 - Shielding Building, and Area of Concern (AOC) A - Haley Jaqueth Property.

Oral and/or written comments on the draft permit modification will then be received from the public. There will also be an opportunity for public comments to be taped or written and submitted from 6:30 p.m. to 7:00 p.m.

General Smelting and Refining, Inc. (EPA ID No.: TND 00 404 8690, Tennessee Permit Number: TNHW-115), located at [8444 Horton Hwy in College Grove](#), Williamson County, TN 37046-0037, submitted a Class 3 Permit Modification request to DSWM on July 27, 2006, to reclassify two SWMUs and one AOC to reflect the completion of investigation activities and remediation at the facility and the revision of the facility's Groundwater Monitoring System from eight groundwater monitoring wells to three groundwater monitoring wells. With the completion of the RCRA Facility Investigation (RFI), SWMU No. 1, SWMU No. 8, and AOC A will require institutional controls. DSWM proposes to approve the Class 3 Permit Modification request.

The permit modification is proposed to be issued under the authority of the Tennessee Hazardous Waste Management Act of 1977, as amended, Tennessee Code Annotated, Section 68-212-101 et seq., and Tennessee Rule Chapter 1200-1-11, Hazardous Waste Management. A draft permit modification has been prepared based on DSWM's review of the facility's Class 3 Permit Modification request and is available for public review and comment. A fact sheet and

statement of basis summarizing the scope of the modification has also been prepared and is available for review.

A copy of the draft permit modification, including the fact sheet, [statement of basis](#), and public notice, is available for public inspection at the Bethesda Public Library, 4905 Bethesda Road, Thompsons Station, TN 37179 (615-790-1887). These materials are also available for public inspection during normal business hours, 8:00 a.m. to 4:30 p.m., Monday through Friday, except legal holidays, at the TDEC Nashville Environmental Field Office, Public Access Area, 711 R.S. Gass Blvd., Nashville, TN 37243 (615-687-7000); or at DSWM's Central Office, 5th Floor, L & C Tower, 401 Church Street, Nashville, TN 37243-1535 (615-532-0780).

Any interested person may submit written comments on DSWM's proposal or obtain further information by contacting: Mr. Charles Burroughs, Manager; Corrective Action Section; Division of Solid Waste Management; TDEC; 5th Floor, L & C Tower; 401 Church Street; Nashville, TN 37243-1535 (615-532-0863); or e-mail to Charles.Burroughs@state.tn.us. The comments must be received by 4:30 p.m., September 10, 2007, to assure consideration. After considering all public comments received, the DSWM Director will issue a final permit decision and a Response to Comments.

Individuals with disabilities who wish to participate in these proceedings (or to review these filings) should contact TDEC to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means and should be made no less than ten days prior to August 27, 2007, to allow time to provide such aid or services. Contact the ADA Coordinator at 1-866-253-5827 for further information. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

Persons who wish to be on DSWM's mailing list should request a Mailing List Request form by calling or writing: Public Participation Officer; Division of Solid Waste Management; TDEC; 5th Floor, L & C Tower; 401 Church Street; Nashville, TN 37243-1535 (615-532-9417); or e-mail Solid.Waste@state.tn.us.
